

Textbooks in use for school year – 2024-2025

RVCS TEXTBOOK LIST

The textbook lists which follow provide a compilation of what books have been adopted/purchased to support the RVCS curriculum. The curriculum, which is reviewed annually, contains the mastery exit objectives and detailed information for each content area at each grade level. Textbooks are one of many supplemental resources used to accomplish these objectives. You will notice that some books with older copyrights are used. They are considered valuable and not outdated regarding the subject.
